## ADDITIONAL INFORMATION

---

Demonstrated commitment to self-learning with daily coding practice and continuous skill enhancement., Proven track record of building projects to further practical knowledge and application., Utilizes platforms like YouTube, FrontendMasters, and Udemy for ongoing self-improvement. Confident in converting UI designs to code.

## HOBBIES

---

In my spare time, I indulge in several hobbies that enrich my life outside of work. I have a passion for coding, finding joy in creating solutions and exploring new technologies. Additionally, gaming with friends serves as a way to unwind and connect with others in a fun and social environment. However, when I am immersed in my work, my focus is unwavering—I believe in giving 100% to the task at hand. Continuously learning about technology is another aspect of my life that I value greatly; staying updated allows me to remain competitive and innovative in the ever-evolving tech landscape.
